

Swim & Dive Team

Why should your child join the Manchester Sting Rays? Making new friends, sharing team spirit and learning good sportsmanship are just a part of the fun of being on the team! We also strive to increase our swimming and diving ability, and we have a great time doing it!

Anyone ages 5-18 may join. Children of all skill levels are encouraged to participate. For swim team, the minimum requirement is the ability to swim half ($\frac{1}{2}$) a pool length. Individuals who would like to join the dive team will be critiqued individually.

Practices are held Monday through Friday mornings; we begin June 2, 2008, and end July 24, 2008. Dual meets are held in the evening at our pool and various pools in the area.
